To Whom It May Concern:

Jonathan Fox was a teacher at Orcas Christian School for 8 years where I was principal. He taught high school English, Spanish I, II and III, and History. Some years he taught Bible, small engines, computer apps, and yearbook. He was the advisor to our student association where he worked actively and closely with the students.

Jonathan is a strong teacher, very competent in his accredited areas. He was well-prepared and organized for his classes. He used a variety of teaching styles making his classroom time engaging and interesting. Jonathan is a critical thinker, asks meaningful questions, digs deeper with students and endeavors to include all during classroom discussions.

Jonathan makes himself available to students. He stayed after school to give extra help and tutoring to struggling students. He worked with students to complete their late and missing assignments so that they were able to pass classes and be academically eligible for their sports programs. Jonathan cares about the kids, and they sensed that.

Jonathan has a heart for others. He would go out of his way to help people he saw needing assistance. He led out in several community service projects helping senior citizens, disabled individuals, those having difficulty and people new to the island. He involved students in these projects.

We were saddened when Jonathan and his family left Orcas Christian School, and we have had a difficult time finding someone of his caliber to fill his position. It is without hesitation that I highly recommend Jonathan Fox to you as a strong, positive, hardworking, Christian teacher. He will be an asset to your school.

Sincerely,

Tom Roosma
Retired Principal
Orcas Christian School
